### **Andy's March Message**

*I just made it!*

I have two days to get this letter out and still have it be considered the March College Connection. This year has been flying by! In the last edition I let you know about several summer mission opportunities available to you this summer. This month I would like to let you know about another one. This is our College Mission trip to North Carolina. We will be staying at Fort Caswell again, but this year we will be working with Habitat and other similar organizations. I know for sure that one project we will be doing will be helping to dig the footings for the next house build for the Cape Fear Habitat for Humanity which is in Wilmington, NC. We are in contact with other Habitat's in the area to get more work lined up as well. Your cost for this trip will be \$100. I am looking closely at the budget to make this happen. It is always my intention to make this a low cost trip for y'all to have a mission opportunity and a good bit of fellowship as well. More details will be coming soon! You may begin now turning in your \$50 deposit to the Smiths or Keels in Sunday School or you can have your parents drop your check by the office during the week. Deposits will be due by Sunday April 19. This has always been a fun trip and I hope many of you will consider going with us this year.

**Coming. . .**

**to a Campus Near YOU**

College Dinners- a free, real meal & a great time to catch up with or meet First Baptist ministers.

We appreciate you! You are important to us! When you get your Facebook invitation please respond quickly.

We have had great visits this year! I always look forward to seeing you guys on your "stomping grounds." If you didn't make it this year, be on the lookout for when we will be on your campus next school year!

*\*check your email for details and respond quickly*

### **Happenings:**

***Make sure I have your current information.***

***Email me with updates as they happen.***

### **Upcoming Opportunities:**

Looking for a Summer Job? Let Andy know what you may be looking for. He will be compiling a list of businesses and those seeking employment for this summer.

**Keep me posted of changes--

## Can you believe it!?!?

I AM RE-RUNNING THIS ARTICLE IN CASE SOMEONE MISSED IT! IN ADDITION TO THE SUMMER INTERNS YOU CAN NOW ACCESS THE APPLICATION FOR YOUTH CAMP COLLEGE INTERNS ONLINE AT [WWW.FBCAUGUSTA.ORG](http://WWW.FBCAUGUSTA.ORG)!

Becca, Sean, and I have a wonderful opportunity for you this summer as well. For the past three summers we have had interns that worked with us on daily tasks and big events. This summer we are making a slight change to our intern job descriptions. This summer we will have two interns that work with the Student Ministry and the Preschool and Children's Ministry. This will allow for a better use of the interns time as we each have busy times at different points during the summer. This will also allow the two interns to "have each other" over the course of the summer. These two will be able to bounce creative ideas off on another and be able to use the team approach in all projects. I have sent the application for these positions via email. It can also be found on the Internet. We are looking Statewide to fill this position so if you are interested be sure to get your application and résumé in soon. The interns will participate in VBS, Youth Camp, kids camp, SOAK, Wonderful Wednesdays, as well as the daily and weekly routines of office life. We have continued the idea of a "Super Project" that will allow each intern the opportunity to use his or gifts in a more or less wide open way (more about that on the application). We are certainly looking for creativity here. If you are interested in this position please submit application and résumé ASAP. Final decisions will be made at the beginning of April.

*Andy, Sean, and Becca*

## Sunday School Synopsis

Whenever you are in town we hope that you will join us for Sunday School. I would love for us to have to find a new place for y'all to meet because you outgrew your current room!

The Smiths and the Keels are working hard to stay in touch with all of you as well. Be sure they have your correct information also.

**Be sure to reply to the college survey that was emailed to you last week. This will help us provide meaningful activities for you this summer and throughout the year.**

We would love to see you in Sunday School when you are in town!

## We want your coffee mug

We have coffee mugs on a shelf in the Sunday School room from some of the schools where we have had students. We would love to have yours. Bring us your mug the next time you are home. Thanx

## Summer Opportunities:

- Student/Children Ministry summer intern
- Youth Camp college counselor
