Church wide Food Drive, Sunday, October 18

Our October grocery needs are small or regular size cereals, canned tomatoes, fruit and dried peas or beans. We are always in need of diapers. PLEASE HELP us fill our carts with some of these items.

What a great success! Thank you so much for your donations of time, items, and dollars as you purchased items for yourself! This year we set another record. After the final tally was made we were able to distribute \$16,650.07! We were able to send money as far away as Uganda and Liberia and as close to home as the Bridge and Harrisburg. The Estate Sale team seeks to strike a balance between the types of ministries we support as well as location.

- Bridge Ministry
- Mission on the Move- Honduras
- God's Appalachian Partnership
- The Lydia Project
- Balama Development Alliance
- Orphan's Heart
- South Dakota partnership
- Harrisburg Garden project
- Crawford Ave./Berea Baptist for their work in Harrisburg

What a blessing it has been to serve this church for the last 9.5 years! I have enjoyed journeying with you and working alongside you in youth ministry and our many Mission endeavors. I will always look back with fondness as I remember your willingness and desire to get your hands dirty and to go and serve wherever there is a need from the CSRA to South Dakota, as far south as Los Muermos, Chile and as far north as Germany and Hungary. I pray that God continues to bless First Baptist Church of Augusta. When I took over the Mission program nearly 5 years ago Greg challenged me to take our church to the next level missionally. I hope I have done that. And I know that God is preparing the next minister to lead you even more in depth of partnership and breadth of reach. Be in prayer for our church through these transitions. Ask God and yourself what you might be called to do. How will you respond?

Press On!
Andy
