### **During the REACH service**

Engage, delight and immerse yourself in worship led by our worship band, and a practical, multi-media message. Some people raise or clap their hands during the music as an expression of praise and thanksgiving to God. Others choose to stand quietly, embracing the wonder of God's awesome presence. We invite you to worship the living God in a manner authentic to you.

**Before or after the service**

**Want to know more about FBC?**

We are a large family. Whether you are here for the first time or have been worshipping with us for a while, you may have questions about who we are or how to connect with groups in our church. Just exit the rear of the worship center, make your way to the welcome table and people will be available to answer whatever questions you might have.
